

RMACS Fine Arts Competition

Rocky Mountain Association of Christian Schools is an association of nine different Christian Schools from Idaho, Utah and Wyoming.

Each year TFCA is privileged to host a one day fine arts competition for these schools. Approximately 150 students compete in Bible knowledge, preaching and teaching, various music (instrumental and vocal) categories, numerous art categories, and academics. The winners in each category then have opportunity to compete in the American Association of Christian Schools National Fine Arts Competition in April.

The day of hard work ends with a fellowship and volleyball/basketball mini tournament in the gymnasium.
